Twinlow Day Camp and Congregation Responsibility Agreement:

Day Camp is an opportunity for the young people in your congregation and community to have a Christian summer camp experience at their home or neighborhood church or other place of your choosing. We know your congregation desires to provide a safe, caring atmosphere for these young ones to hear, touch, see, and feel the love of Christ through the Day Camp you are offering. Each congregation is responsible for the safety of each camper and each participant (except Twinlow Staff) is covered under the congregation's insurance policy.

Your congregation volunteers to provide the primary supervision of the children who participate in your day camp week. Supervision must be provided by persons 16 years or older at a ratio of 1 adult to every 10 campers. Twinlow Staff will help direct these volunteers. Because of staffing needs back at Twinlow, and summer camp planning, Twinlow reserves the right to not allow switching your staffing package but will work to accommodate your needs.

Twinlow is responsible to supply the program and staff to your congregation to facilitate the Day Camp. Twinlow Staff is covered under the PNWUMC Conference Insurance policy for its camps. A final bill will be given to the coordinator during the Day Camp week. Please make arrangements for payment to be made on the last day of camp. Also, we ask for copies of the registration forms for your campers so that they may be invited back to PNWUMC camping programs.

Participating congregations agree that they have read and understand the Congregational Coordinator Guide.
